LAB BALANCES AND EQUIPMENT

INTELLIGENCE | PRECISION | DEPENDABLE

ANALYTICAL AND PRECISION BALANCES

- High accuracy and high-resolution balances designed to measure small samples
- Readabilities of 0.1mg and 0.01mg with capabilities up to 320g

INTELLIGENT PERFORMANCE

EXPLORER SEMI-MICRO

INTELLIGENT PERFORMANCE

EXPLORER ANALYTICAL

EASY OPERATION & TIME SAVING

ADVENTURER ANALYTICAL

LABORATORY EQUIPMENT

- High quality bench top laboratory equipment covering all sample preparation needs
- Research-grade and standard pH meters offering accurate results

FRONTIER CENTRIFUGE

GUARDIAN HOT PLATE STIRRER

AQUASEARCHER PH METER

PORTABLE BALANCES

- Easily moved battery operated precision balances for use in the lab or in the field
- Fast stabilization time for increased productivity

SCOUT STX

NAVIGATOR

COMPASS CX

INNOVATIVE WORKFLOW SOLUTION

A PERFECT PAIR!

BIOTIX Pipette & Pipette Tips

YOUR SCIENTIFIC RESEARCH SOLUTIONS

PIPETTE TIPS AND CONSUMABLES

ACCURATE | ERGONOMIC | SUSTAINABLE

PIPETTE SOLUTIONS

- Biotix uPIPETTE and xPIPETTE are smooth, efficient and the top choice for ergonomics in labs
- Engineered to achieve precise and accurate liquid measurements

SINGLE CHANNEL PIPETTE

8 CHANNEL PIPETTE

CAROUSEL STAND

PIPETTE TIP SOLUTIONS

- Biotix patented FlexFit and StarStop technology produces accurate and precise liquid transfer
- Automation Tips are manufactured to the highest engineering standards with ultra-straight tips

UNIVERSAL TIPS

XTIPS LTS COMPATIBLE

AUTOMATION TIPS

LABORATORY CONSUMABLES

- FREE DNase, RNase, human DNA, and endotoxins
- ISO 9001 Certified with stringent controls and engineered for the most sensitive research
